INTRODUCTION

This repair parts catalog has been prepared to assist dealers in ordering repair parts for Coleman OUTING PRODUCT APPLIANCES from their Coleman wholesalers.

Pages for Repair Parts on new products will be made available as products are marketed. Please write for your copy.

No. 32E Catalog primarily lists Outing Product Appliances produced since 1956. Some repair parts for appliances produced prior to 1956 not listed in

this catalog are available for shipment, and listed in No. 8A, 27, 28, 32A, 32B, 32C, 32D Catalogs. DO NOT DESTROY THESE ISSUES — no longer available.

Please acquaint yourself with your Coleman wholesaler's policy for ordering repair parts, and the handling of returned goods. This will prevent costly mistakes and expensive delays.

This catalog is divided according to appliances, as listed in the Table of Contents.

WHEN ORDERING . . . REPAIR PARTS FOR LANTERNS, STOVES, CATALYTIC HEATERS, COOLERS, JUGS, ETC . . .

SEND YOUR PARTS ORDER TO YOUR COLEMAN WHOLESALER FOR PROMPT HANDLING.

1. Find the model of the appliance in question in the Table of Contents. The Table of Contents is catalogued by Product Line.

Example: Lantern, Single Mantle, 200A (page 2).

2. Find the part which is needed from page 2 under "Description," or as shown on the illustration.

Example: "200A5891" (under "Description") or "200A5891" (on illustration).

3. Read the complete Coleman part number and description in the numerically arranged Part list.

Example: 200A5891 T66DL Generator.

4. When placing the order, it should read: (Quantity) 200A5891 T66DL Generator.

WHEN ORDERING TENT AND SLEEPING BAG REPLACEMENT PARTS —

Replacement parts for Tents and Sleeping Bags should be ordered from:

The Coleman Company, Inc.

250 North St. Francis
Wichita, Kansas 67201

See pages 47 or 48 or describe in detail part needed giving model number of product and complete description of the part.

FOR REPAIR PARTS . . .

not listed, give the MODEL of the appliance and a complete DESCRIPTION of the part, send us the old part, or make a rough sketch of the part that is needed. We will supply non-list parts only if available for shipment.

REPAIR SERVICE

It is the policy of The Coleman Company, Inc., to cooperate with users of Coleman products in assisting them to secure the largest measure of satisfaction from their purchases. We, therefore, maintain an Outing Products Service Department at our General Offices. It is the duty of this department to furnish operating and handling suggestions, and to supply the necessary parts for all Coleman products at reasonable prices.

We, also, have inwarranty Service Centers in almost every major city in the United States which are competent to render satisfactory service on Coleman Outing Products. Check the Service Center list for your nearest Service Center, and send your Outing Products to them for service. This will enable you to get your Product back in service more quickly and will reduce shipping time and charges.

WHEN SENDING IN GOODS TO THE COLEMAN COMPANY, INC., FOR REPAIRS, SERVICE, OR CREDIT, PLEASE OBSERVE THE FOLLOWING POINTS:

1. See that goods are securely packed to prevent damage in transit. Remove glassware before returning goods for repair.
2. Address package to: "The Coleman Company, Inc.," and mark it "Attention: Outing Products Service Department."
3. Be sure to put your name and return address on the package.
4. Send package by insured parcel post (insured parcels are traceable), express, or freight.
5. Prepay all transportation charges. We do not pay incoming transportation charges, except by special agreement.
6. Write a letter to the Coleman Company, Inc., "Attention: Outing Products Service Department," giving any handling instructions or special instructions. Place this letter inside the package. Do not mail another separate letter; add letter postage to amount required to mail package. Address and stamp the parcel as shown at left:

ALL INFORMATION COMPLETE and CLEAR as shown in picture.

Upper left corner — your name, address, and zip code.

Upper right corner — postage for parcel plus letter postage.

Center — "FIRST CLASS MAIL ENCLOSED" and OUR complete address.

Lower left corner — "Outing Products Service Department."

RETURNS AND ALLOWANCES

Please do not return merchandise to the factory for credit without first having obtained permission and shipping instructions. Otherwise this merchandise will be held at owner's risk. When merchandise is returned by agreement with transportation charges prepaid, credit will be issued on a basis not exceeding the original invoice price, less an inspection, handling, and restocking charge of 10%. Obsolete, shelf-worn, or damaged merchandise will be subject to appraisal and credit issued on a basis thereof.

Your Guarantee

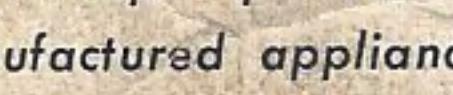

All Coleman Outing Products are thoroughly inspected and tested before shipment from the factory, and are as free of imperfections in material and workmanship as it is humanly possible to make them.

All new models of Coleman Outing Products that have been out of the factory not more than two years are guaranteed against faulty material or workmanship.

Any part found defective because of imperfect material or workmanship will be replaced without charge when returned with transportation charges prepaid to the Coleman factory, or to the nearest Coleman authorized-in-warranty service station.

This guarantee does not, of course, apply to generators on stoves and lanterns, nor to any product where it is evident that damage has developed from improper handling or operation.

NOTICE: The use of any attachment or device that is not expressly approved by The Coleman Company, Inc., to alter or affect the operation of the appliance automatically cancels all warranties, implied or expressed. Furthermore, the Company shall not be liable for any consequences that result from the use of equipment under these circumstances.

Coleman's warranty on repair parts is made null and void by their use on other than  manufactured appliances. Coleman's warranty on  appliances is made null and void by use of other than genuine  repair parts.

Always look for this  label.
